

Community Outreach Hui

Workforce Readiness

Our community-based Workforce Readiness Program supports and provides services needed to assist individuals that have experienced hardships, preventing career development. Together, with community partners, we are committed to providing our community with employability and technical skills to secure higher-wage jobs across various workforce sectors.

Deployment of Employability Skills through Community Workforce Readiness Efforts:

Workforce Readiness Program

- Periodic check-ins to assess participant progress
- Career development pathways with Adventist Health Castle, providing participants with interview and resume preparation, on-the-job training and hospital experience.
 - Volunteer Services
 - COPE Scholar Program
 - Paid Internships
 - Clinical and Non-Clinical Open Positions

- Pre-Employment, Employability and Soft Skills Classes
 - Adventist Health Castle
 - Good Jobs Hawaii
 - KEY Project Workforce Readiness Program
- Financial assistance to those newly employed through the Adventist Health Castle Workforce Readiness Program

Wrap-Around Referral Services Offered:

- Government and Community Financial Benefits Application Assistance
 - SNAP/EBT, WIC, CCC, etc.
- Community Resource Referral

Serving all Windward O'ahu communities from Kahuku to Waimānalo
